

On Monday, May 24, 2010, WLOX-TV 13 aired a special, one hour, expanded edition of "WLOX News at 6: Coastal Crisis" with a panel of people on the front lines of this oil spill. The panel consisted of people who are deeply involved in studying the science of this spill and its impact on our sea life, wildlife and shoreline.

The panel included the following:

- Fourth District Congressman Gene Taylor
- Dr. William Walker with the Department of Marine Resources
- Dr. Michael Carron with the Northern Gulf Institute
- A U.S. Coast Guard representative from the Unified Command in Mobile
